OTTA VA LETTER

The Grain Bill was introduced in the House and passed the second reading before the people of the country interested in the Grain Marketing realized just what it called for. Mr. King while recognizing that some arrangement would need to be made to carry on the work of Mr. McFarland was not sure that the terms of the Bill would meet the difficulty and asked to have a Committee of the House investigate the situation.

The Government was good enough to comply with a request and a committee was set up consisting of 3 Lib. ex. one C.C.F. and 5 Conservative members. Mr. Beaudry was the Chairman. The evidence heard was of great importance. Mr. Richardson, Mr. Sydney Smith and others connected with the Winnipeg and Vancouver Exchanges gave evidence. Rep. representatives of the Pools were also present. The Vancouver people were against setting up a Board through which all grain would be marketed. They said such an organization would route much of the wheat through Eastern ports to the loss of the Port of Vancouver. They also said if one Board had complete control there would be a sales resistance set up and the Canadian farmer would not get the best price as buyers would be inclined to purchase wheat from other countries. They also said that it would not actually come in competition with the on coast pools.

They said a Board of 3 would not be so likely to make mistakes as a Board of one man. Also they thought the Government should fix a minimum price for wheat at some figure near the cost of production. If wheat went below that minimum figure and was marketed without delay and without accumulating a large quantity, they should sell at the price they thought adequate. The Government should stand any loss.

If the price was above this minimum price then the farmer could sell and get the full value for his crop without any interim payments as the proposed bill provided for. The farmer would have this minimum price as a cushion. He need not sell for this price.

Mr. and Mrs. John Kent who were visiting friends in Saskatchewan are back in the neighborhood again. Mrs. Knapp who has been somewhat under the weather, is feeling much better, and we hope, will soon be back to her usual lively again.

Mr. Lowry was in Calgary last Saturday.

Miss Peter is at present staying with her aunt, Mrs. Scott south of Strathmore.

The picnic held at Berta Vale last Friday was quite a success, although the inclement weather prevented people at home. In order to prevent the large amount of ice-cream from spoiling everyone did justice in sampling same and a few took home a couple several dishes against their will.

Because of the slow downfall of rain last Saturday night several of the Herveyites were unable to attend Mr. Brundage's farewell service town, for which we were very sorry, nevertheless, we all wish he and family the best this world has to offer, in their new field at Three Hills.

Flowing in this district is still going strong. It is not so hard on the plowmen since the rain. Perhaps we will finish before the Calgary Stampede. That all depends.

Mike Barnaback of Calgary is helping Dan Blaseau a few days. It is always good to see an old friend with a pleasant face as the postscript.

price if he thought what would be higher. He could hold his wheat if he wished on the prospect of it going higher long enough for the minimum price in any case.

This plan has been written by the Argentine and seemed to impress the Members of the Committee with its fairness. Of course, the producers of durum, apples, potatoes etc., at once advanced their claims for similar help. However, special provision at the moment, why the claims of the wheat producer should be first recognized. As a result of the work of the Committee there will likely be real changes in the Bill.

Sincerely, F. W. Gerlach

FAREWELL SERVICE BY REV BRUNDAGE

The United Church was filled Sunday evening last, when Rev. Brundage delivered his farewell sermon, prior to taking up the passport in his new field at Three Hills.

Mr. Brundage preached an able and interesting sermon from the text: "God so loved the world that He gave." There were many thoughts developed, which if put into practical everyday application, would make for a happier world.

An interesting program of music was rendered by the High School choir in themselves form quite an orchestra. A violin duo by Mrs. and Miss Hirtle, a vocal by Ruth and Fred Hirtle and a selection of songs, the piano, 2 cornets and 2 violins, were well received, with the ever beautiful organ, by Handel played by Edith on the piano.

Mr. Brundage is planning an outing at Bowden Park through the summer or his Sunday School Class and their friends.

Miss Violet Hyde has received word of the success of her music pupils. Mr. Robert and Jean Black and Robert Sather taken to the Toronto Conservatory. Congratulations to teacher and pupil.

Miss Thelma Standeven of Toronto niece of D. A. Perry, joined Mrs. Perry Monday morning and together they will visit Vancouver, Victoria, Seattle, and Portland. On their return they will remain over at Banff for a week, where Mr. Perry will join them.

Some time in the latter part of July a goodly lot of fish will be sold more with all the groups of the district participating, to be followed by a mass meeting at night. Exact date will be announced later.

Miss Kennedy and Mr. Fred Anderson of Calgary spent Wednesday in town.

Dorothy Stupen enjoyed several days visit with Jean Garrett during the week.

Viola Payne of Swatara, pupil of Maeve Seales, passed introductory School Piano (C. C. M.) examination with honors. Mr. F. E. Blackford was the examiner.

Rev and Mrs. Gilbert and family are moving into the Maize this week.

Mr. and Mrs. Short and daughter moved to Waterton Lakes for the week end.

Albert Crellin left Monday for Ponoka, where he hopes to get placed on the ball team.

Edith Crellin is with the Ponoka team, which is playing great ball, in a scheduled game of the Northern League that drew a very large crowd. Ponoka was a victory of 16-7, which was Ponoka's 12th without a defeat, and leaves them at the top of the league standing. Up to June 27th the team had averaged 12 hits per game.

Rev. and Mrs. Rowe and four children left Monday morning for Toronto and other points East where they will visit friends for the month of July.

Miss Grace Gillespie and Mr. Eric Rossen of Calgary were guests Monday at the Garrett home.

Mr. Brundage is planning an outing at Bowden Park through the summer or his Sunday School Class and their friends.

Miss Violet Hyde has received word of the success of her music pupils. Mr. Robert and Jean Black and Robert Sather taken to the Toronto Conservatory. Congratulations to teacher and pupil.

CROWFOOT

The Annual School Picnic was celebrated on the school grounds Thursday afternoon of last week. Races and games of every description and a thrilling horse ball game provided worthy entertainment for the afternoon. Those present then gathered around the picnic table from which choice refreshments were heartily partaken. The talk on Austria, given by Mr. Falbot, proved interesting and educational in the extreme. The sing song which followed brought to mind that another school term had ended, creating feelings of happiness in that problems had been solved and lessons learned, and a good vacation earned, and also feelings of sorrow in that good boys had to be tendered to our school teacher, Mr. Norwood, who is leaving Crowfoot neighbourhood and will not be returning in September, and also to Mr. Buckle who is sailing for England shortly. These men will be greatly missed in this neighbourhood and their many friends join in wishing them every success and happiness in their new fields of work.

Miss Grace Schrey of Bassano will spend the summer vacation with her parents.

Mr. and Mrs. Nilsson and family motored to Calgary on Friday last.

The Berry family were visitors to the city during the week.

Mr. and Mrs. D. R. Garbutt entertained friends from Calgary on Sunday.

The Talvey family motored to Calgary on Friday.

AKENSTAD

The children of the Akenstad School District were given a real treat in the form of a picnic at St. George's Island last Friday. Although all the parents did not find it possible to attend, enough cars were there to provide the transportation. After a splendid lunch had been served, and topped off with ice cream, the children spent an exciting half day inspecting the various interesting animals to be seen at this place. Ball, races and bathing provided ample entertainment at other times. Before the departure for home, the rest of the lunch was disposed of in the way that hungry children usually dispose of good food. A good time was had by all.

Mr. J. J. Plante has been re-engaged as teacher for the coming year.

Mr. De E. Gray has a splendid crop of alfalfa almost ready to cut.

LANGDON

Mrs. D. Kernaghan, Jr. who had an operation for appendicitis came home Sunday. She is recovering nicely after a serious illness.

The Annual Strawberry Picnic of Langdon (O. O. F. Lodge) was held at St. George's Island Sunday. A large crowd enjoyed the outing and the big feed.

Langdon Social Credit group held a Strawberry Tea and Supper in the W.I. Rooms Saturday afternoon and evening which was very successful. During the evening a presentation of money was made to Mr. W. McLeod, president of the group who left Langdon to live in Calgary. Everyone is sorry to see Mr. McLeod leave, but all wish him much success wherever he goes.

In spite of the showers that day a nice crowd attended the Ladies Aid Tea at the home of Mrs. G. L. Buntain. A surprise birthday shower was held for Mrs. C. Jeary, the secretary of the Aid.

CARSELAND

The last meeting of the Blind Creek Ladies Aid was held at the home of Mrs. C. L. Davie, when a goodly number turned out and plans were made for a Strawberry festival to be held in the village of Muskeg on July 3.

A feature of the Community Service held in Wyndham Park was the leadership of the music, which was given by a troupe and a saxophone played by Ed. Shinn and Gerald Van der Velde.

The home of Mr. and Mrs. Peter son was, on Saturday, the 29th, the scene of a pretty wedding, when their daughter, Harriet Jessie Howe, was united in marriage with Edwin, Alexander McKinnon, of Airdrie. The bride was escorted by her father to the strains of the wedding march, played by Mrs. Julia Chalmers, and was given away by him. The bride was attired in a beautiful creation of Pale Yellow Organdy and carried a lovely bouquet of roses. Her going away dress was a very becoming blue ensemble. The ceremony was in charge of Rev. F. Foster, during the signing of the register. Miss Helen Van der Velde played 'I love you Truly'. The bridegroom is a son of Mr. and Mrs. Lachlan McKinnon, pioneers of this district, who were present at the wedding.

An interesting fact is that this pioneer family instituted forty-two years ago, now numbers some thirty-seven persons, all of whom have their home within fifty miles of Calgary.

Mr. and Mrs. C. Fryer and Lillian, Mr. and Mrs. Mutch, and Mr. and Mrs. Walter Crowe were visitors at Banff over the holiday weekend.

Mr. and Mrs. R. E. Hoover, the principal of the school in Edmonton, this week, where he is helping in the gigantic work of marking the Province's school examination papers.

Fish stories are beginning to grow and the sport of catching and telling is being enjoyed.

YOUNG CONSERVATIVES ORGANIZE

A young conservative club was organized Wednesday evening at a meeting held in the Memorial Hall, when about 21 young people were present from Strathmore, and a number coming down from Calgary. Brief addresses were given by Messrs Harold Schuldt, Jack Petrie

JUNIOR FARMER CAMPS

As a result of special grants made this year by the federal department of agriculture, junior farm club camps will be held at several different exhibitions in Alberta this summer, under direction of the Alberta Department of Agriculture and the various exhibition associations. These camps are to be held at Edmonton, Calgary, Lethbridge, Camrose, Vermillion, Veg

reville and Red Deer. Already, many applications have been received from farm boys and girls to attend these camps.

OIL PRODUCTION

Oil production in Alberta to the end of May was 472,109 barrels compared with 547,282 barrels for the first five months of 1934.

The depressed price of farm products is a problem with which everyone is familiar, but on the 1913 basis farm product prices have never been as low as gasoline. Between 1913 and 1929 gasoline did not rise in price to nearly the same extent as farm products, yet since 1929 its price has almost continuously declined. The data for the above graph are based on figures published by the Dominion Bureau of Statistics.

FAIR LABOR POLICIES BENEFIT THE CONSUMER

WORRY and unhappiness are enemies of efficiency. We have always tried to be efficient and years ago we said, "to the greatest extent possible let us get worry and unhappiness out of this organization—out of the minds of every man and woman in our employ."

So Imperial Oil has always paid high wages. It set up sickness and death benefits, a pension plan and group insurance for its workers. It made it easy for them to share ownership in the Company. It gave them a voice in the discussion of Company

policies that directly affect them. It introduced the forty-hour week, thus increasing the number of those who work for the Company.

Efficiency and loyalty are repaying the Company for all these measures. Imperial Oil employees give generously of their hands and minds because they are well treated. They feel secure and this feeling is reflected in their work and in the high quality and lower cost of the products they make. The consumer benefits, the employees benefit and the Company benefits by these policies.

POVERTY

Poverty is one of the most degraded handicaps in life. It lowers man's standard of living by withholding from him the necessities he would, and should, enjoy otherwise. He is physically wrecked because he is unable to obtain food and shelter necessary for a good constitution. It makes him prematurely old from the long working hours and worry secured. His outlook on life soon becomes warped. He is associated with others in the same circumstances and becomes indifferent to the higher attainments of man. His ambition is lost, his hopes are defeated, his projects are thwarted, his faith upset and he is wrecked. Poverty has upset nature's plan for humanity.

From a High School boy

THE WHEAT BILL REVISED

Following the recent discussion of Bill which has been brought before the Federal House in a long time, the Wheat Bill, has finally been revised and much modified. Adhering to a request from the Leader of the opposition that a joint committee be appointed to go fully into the question of the Prime Minister named a committee of 5 Conservatives, 2 Liberals, 1 C.C.P. with Rt. Hon. E. B. Bennett as Chairman. The result of these deliberations has so modified the first bill as to make necessary a reprint of the bill.

A minimum price for wheat will be set, if the price of wheat falls below this, the farmer will be reimbursed by government. Over this sum Grain Exchanges may buy and sell.

A Board of 3 will be set up to carry out the new regulations of which there are several. The working out of the detail will require the most careful deliberation, and it is to be hoped the bill as revised will work to the general good.

COAL COMMISSION

Personnel of the Alberta Coal Commission, to probe the whole coal mining situation and conditions surrounding same, will be named within the

next two weeks. Hon. Geo. Howley, Minister of Trade and Industry, announced on Friday. He had previously announced that Sir Montague Barlow, noted British engineering authority, would head the commission and would arrive in September to commence the inquiry.

NAMAKA

The teachers of the Namaka school have been re-engaged for next year. Mr. Little left Sunday and will attend summer school at Edmonton.

Miss Bessie Ramsay of Calgary spent the week end with her parents.

Miss Marjorie Wooster accompanied by Marjorie Kugel of Calgary spent the holiday at home.

Rev. Mr. Maas of Calgary is a guest at the home of Mr. and Mrs. H. I. Johnson. Mrs. J. McLean and Mrs. Wiggins are also their guests.

Mrs. W. J. Hare of Calgary was the guest of her sister during the week.

Marie Lundsten of Glendon is the guest of Connie Bremner.

Kathleen McBean is holidaying with Mavis Mackie.

Jean Thomson arrived home from Calgary during the week.

Mr. C. Thomson with his crew are busy at the new school.

Miss H. A. Miller entertained at a Tennis party on Wednesday. The guests included Miss J. Calgary, Miss S. Peterson, Miss Mary Louise McLean, Miss Ivy Watts, the Misses Isabel, Margaret and Jean Thomson, Miss John Hutchinson, Miss Mervin Baker, Miss Nancy Fawkes, Mrs. C. Mackie, Mrs. Hare and Mrs. Baker. All enjoyed a happy afternoon, which concluded with the usual jocosine lurch.

We understand Steve Fayenski has joined the ranks of the headless.

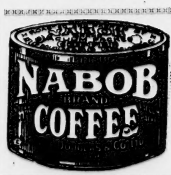

H. I. Johnson, J. McLean and H. Wiggins are for the first time on a fishing trip to the head of the week.

NAMAKA FARM

Mr. and Mrs. Henry Thiesen with their parents Mr. and Mrs. Permer of Grassy Lake visited Namaka Farm over the week end, Sunday afternoon the older people gathered at the home of Mr. A. Thiesen to bid the newly-weds farewell. In the evening all the young people did likewise. Singing, reciting, speaking and laughing filled out a happy evening. Once more we wish the young couple best wishes.

On Friday morning our parents and other friends gathered at the school to attend the annual Closing Day Exercises. Oral examinations in several subjects in the various grades were held. Following this the three missionary journeys of the Apostle Paul were answered by the pupils. Mr. C. Epp marked the progress of the journey on a large map. Then followed the closing program. It was a most inspiring program where solos, choruses, duets, recitations and playlets in two languages combined to give an enjoyable time to all the visitors. The bands of singing and cooperation between parents, pupils and teacher were more firmly cemented together and we hope this feeling of trust will continue through the years to come. After the program all friends drove to the Beaver Dam. The lunch, ice cream, raves, games and swimming brought this children's day to a happy close.

Mr. C. C. Epp left for Edmonton on Monday night to attend University classes.

THE STANDARD

TOWN COUNCIL

The regular meeting of the Town Council was held Tuesday evening, Mayor Gardiner presided. Absentees: Councilors were R. A. Brown and F. S. Hughes.

Minutes of the previous meeting were read by Secretary Ware and adopted as read.

A new revised plan of the Strathmore Cemetery in view of the fact of the Council, the cemetery having been recently surveyed, and this plan drawn up.

The question of purchasing a town mover was dealt with. A sign is to be erected South of the crossroads, south west of town, warning motorists of the dangerous crossing on the Highway. Further discussion as to town taxes took place, but no action will be taken until after the 15th.

A letter regarding the zoning by-law was read by the secretary. A letter re word control, advising the Council that complaints would be looked after by the district agriculturalist. The town handy man was appointed weed inspector.

A motion was put before the Council that \$400 School Tax should be paid by everyone over 21 years living in Strathmore who is not a ratepayer, persons on the fire brigade being exempt from this tax.

Mayor Gardiner gave a comprehensive report of the recent Convention of the Union of Alberta Municipalities, held last week in Calgary in the Pullman Hotel, at which the Mayor and Secretary-Treasurer attended as delegates from the Town. By far and away the most important resolution submitted by the City of Calgary following the recommendations of the Alberta Taxation Inquiry Board, and was as follows:

That real property now bears too great a burden of municipal taxation, and relief in this respect should not be delayed, and that such proportion of the cost of services, other than those beneficial to real property and property chargeable to municipalities, should be borne by the community as a whole. We are sure any one can take exception to that resolution, which was unanimously passed, it being generally admitted that the burden of taxation on real property are confounding and devastating in their consequences. In all there were submitted to the Convention about two dozens resolutions from as many different cities, towns and villages, in which the town of Strathmore, most of which, including our own, passed, as a result of which letter the Provincial Government will be asked (1) to give towns the same authority to tax mineral rights as are possessed by municipal districts, (2) to fix the qualifications for industrial relief, the same as for direct relief, viz. one year's residence, and (3) to make provision for insuring under the Workmen's Compensation Act, cities and towns as a body of voluntary workers on a fire brigade. At the meeting the Town Council passed a resolution expressing appreciation of the good work done by Dr. Giffen on medical health officer in checking the spread of the recent epidemic of measles.

ROCKYFOUR

Mrs. E. Roberts and Miss Annie Roberts spent the week at Edmonton. Anne Roberts will spend this week here visiting with her parents and friends.

On Tuesday afternoon Mrs. Hendry was a guest of honor at a farewell party. Mrs. Hendry was the recipient of a beautiful pair of cut work pillow cases which were presented by Mrs. L. E. Stanc. Mrs. Hendry and family left on Friday for Oshkosh, where they will be in future residence.

A delightful banquet was served in the town hall by the Masons who entertained Strathmore Lodge and their wives or lady friends. The usual toast list and replies to the toasts were given also a short program as follows: A piano and saxophone solo by Mr. and Mrs. Robinson. Mr. T. Roberts gave a selection. A baritone solo was given on by Mr. and Mrs. D. Jensen which went over big. Dancing until midnight followed the banquet and program.

The Rockyfour baseball team journeyed over to Arrowwood on Wednesday, the score being 10-10.

Mr. and Mrs. W. Ridd and Mrs. Robinson were Calgary visitors during the week.

The High School teachers were re-elected for the coming term. Principal C. Bradwell, Assistant, Miss M. A. Korynski, B. Sc. Primary, Miss A. Patterson.

On Friday afternoon the Public

School had their farewell picnic at the school.

The weather being ideal the straw berry tea and sports day held out at Mrs. Spurgeon's at Winona on Friday afternoon and evening was a successful affair.

Mr. and Mrs. Halpin and young son Edmund left on Friday evening for a month's vacation in Eastern Canada and the States, visiting Mr. Halpin's parents.

C. H. Walcott was absent from town a few days last week busy organizing Young Liberals Association.

Archibald A. Campbell, formerly of the P. R. Frigate Branch, has been appointed Provincial Department of Agriculture regional agricultural agent, for the at Lethbridge, replacing M. L. Piesch who was transferred east Brooks district some weeks ago.

RATEPAYERS M. D. KEOMA 249 DISCOUNT ON CURRENT TAXES 10 per cent if paid by July 15th. 5 per cent if paid by October 15th. No discount later.

Frank J. Ewing, Sec.-Treas.
